TECHNICAL SPECIFICATIONS

Built on the hillside, facing out towards an amazing ocean view, Belle Etoile is the perfect place to enjoy the beautiful Caribbean climate and landscape. Just outside of St. Bart's capital city of Gustavia, this luxury rental is in a prime location for enjoying numerous public beaches, hiking trails, and of course, the lavish city nightlife.

Belle Etoile's design has one single focus, the ocean. The layout is wider than it is deep, creating more surface area on the ocean facing exterior wall. This design element ensures the maximum amount of indoor spaces that can open onto the terrace. The décor is simple, artistic, and elegant. A minimalistic color palette allows the bright blues of the ocean, and the striking greens of the palm trees to easily capture ones attention. The living room is decorated with cozy designer furniture and its background is the lush garden on the opposite side of the villa. After the ocean, the terrace is Belle Etoile's main attraction. A long infinity pool spans the width of the terrace, surrounded by both covered and uncovered outdoor living spaces. The sun bed positioned within the covered portion of the pool is a great place to relax after a swim. Inside, you'll find a fully equipped kitchen, espresso machine, and formal dining for ten.

ABOUT THE AREA

Saint Barthelemy, a French-speaking Caribbean island commonly known as St. Barts, is known for its white-sand beaches and designer shops. The capital, Gustavia, encircling a yacht-filled harbor, has high-end restaurants and historical attractions like the Wall House, whose exhibits highlight the island's Swedish colonial era. Perched above town is 17th-century Fort Karl, looking out over popular Shell Beach.

Saint Barthélemy is a small island less than ten square miles located north of Saint Kitts and southeast of Saint Martin. It is a French territory with a mixture of people speaking French and Creole. Saint Barthelemy is a popular tourist attraction especially for the rich and famous. The island has an exquisite landscape of hills, valleys and mountains with numerous beaches dotting the coastline. Gustavia, the capital, is the location of the island's airport. The nearest international airport is located on Sint Maarten, the Princess Juliana International Airport.

After you've experienced the calming nature of your villa, consider a visit to one of the most popular beaches, you'll find seven within twelve kilometers. Nikki, Gouverneur, and St. Jean are the most popular; they feature pristine white sand, beachfront bars and restaurants, and access to water sports activities. If you feel like a stroll, Gustavia is a beautiful walking city, rich with historic sites and incredible architecture influenced by the colonial regimes of the British, French, Swedish, and Spanish.
