ABOUT THE AREA

Cambodia is a Southeast Asian nation whose landscape spans low-lying plains, the Mekong Delta, mountains and Gulf of Thailand coastline. Phnom Penh, its capital, is home to the art deco Central Market, glittering Royal Palace and the National Museum's historical and archaeological exhibits. In the country's northwest are the ruins of Angkor Wat, a massive stone temple complex built during the Khmer Empire.

With powdery white sands, turquoise waters and emerald rainforest, the islands of the Koh Rong Archipelago are picture-perfect, both on land and underwater. Ranging from barefoot luxury to raucous party-scene, the islands offer something for all, with the Ream National Park and Cambodia's only over-water villas at the spectacular private island hideaway of Song Saa.

Known for its pristine bays, the coast of Cambodia is perfectly located close to the hub of Siem Reap. Just 20-minutes by private car and speedboat from Sihanoukville Airport, Koh Russey, or Bamboo Island as it is commonly known, provides a perfect escape from it all.

Be at one with nature at Alila Villas Koh Russey, the 'jewel of the sea'. With a lush green oasis as its backdrop, the resort has been created in keeping with its environment, lovingly designed by Singaporean architect Chioh-Hui Goh. With a touch of Khmer charm and an abundance of green spaces, Alila Villas Koh Russey makes for a idyllic stay. There is even a beach front infinity pool along with a sunset bar, perfect for sundowners.
