ABOUT THE AREA

The U.S. is a country of 50 states covering a vast swath of North America, with Alaska in the northwest and Hawaii extending the nation's presence into the Pacific Ocean. Major Atlantic Coast cities are New York, a global finance and culture center, and capital Washington, DC. Midwestern metropolis Chicago is known for influential architecture and on the west coast, Los Angeles' Hollywood is famed for filmmaking.

Idaho is a northwestern U.S. state known for mountainous landscapes, and vast swaths of protected wilderness and outdoor recreation areas. The capital, Boise, is set in the Rocky Mountain foothills and is bisected by the Boise River, which is popular for rafting and fishing. The city's riverfront Julia Davis Park is a downtown green space containing a rose garden, museums and a zoo

Sun Valley is a resort town in Idaho. It's known for Sun Valley resort's ski areas at Bald Mountain and nearby Dollar Mountain, the latter with gentler slopes. In summer, the resort has miles of mountain trails, equestrian routes and wildflower-filled meadows. Numerous other trails start from areas around town like Fox Creek and Trail Creek, which offers a path up Proctor Mountain for valley views.
