TECHNICAL SPECIFICATIONS

An idyllic and intimate boutique beach lodge set on the quiet and unspoilt northwestern tip of Manda Island, Manda Bay makes the perfect away-from-it-all retreat and is also known for its excellent ocean fishing and wealth of water sports. Surrounded by miles of soft white sand and coconut palms, Manda Bay sits in a sheltered position on the unspoilt north eastern tip of Manda Island. The lodge looks out across the deepwater channel that separates Manda and Pate islands from the Kenyan mainland and the Indian Ocean. Both the airport and Lamu Town are about 8 miles away by boat and the trip by speedboat takes less than 30 minutes via the narrow Mkanda Channel ('the belt'). Nearby Manda Toto Island ('Baby Manda') makes a lovely and gentle boat excursion and is an excellent place to swim, snorkel and picnic. It is also known for its beautiful birdlife and often attracts flocks of many thousands of northern Carmine Bee Eaters. Manda Bay Lodge is at the forefront of local conservation and community initiatives and is committed to protecting the area's environment, marine life and wildlife.

ABOUT THE AREA

Kenya is a country in East Africa with coastline on the Indian Ocean. It encompasses savannah, lakelands, the dramatic Great Rift Valley and mountain highlands. It's also home to wildlife like lions, elephants and rhinos. From Nairobi, the capital, safaris visit the Maasai Mara Reserve, known for its annual wildebeest migrations, and Amboseli National Park, offering views of Tanzania's 5,895m Mt. Kilimanjaro.

Lamu County is located in the Northern Coast of Kenya and is one of the Six Coastal Counties in Kenya. It borders Tana River County in the southwest, Garissa County to the north, Republic of Somalia to the northeast and the Indian Ocean to the South.

Manda is an island of the Lamu Archipelago of Kenya, known for the prosperous 9th century ports of Takwa and Manda town. The island is now linked by ferry to Lamu and is home to Manda Airport, while Manda Toto island lies to its west. The island is separated from the mainland by the narrow Mkanda channel.
