TECHNICAL SPECIFICATIONS

Chalet Divinity takes a different approach with its interior, creating a tasteful blend of rustic wood panels and minimalist matt white surfaces. The spaces exude a welcoming feel of homeyness but still with the recognizable charm of an alpine cabin. Five ensuite bedrooms provide comfortable accommodation to a maximum of 10 guests. A built-in elevator provides easy access across the different floors. But the highlight of the chalet is definitely its swimming pool area found on the lower level together with a bar, a lounge, an Italian shower, a fitness room and a hammam. The upper floor holds an open plan living and dining room styled in a contemporary-industrial look including a charcoal-black fireplace and drop lights. Cerulean blue sofa seats add a delightful touch of vibrancy into the room. A cozy loft area also holds a TV room where the group can enjoy movies together. There is also a spacious balcony offering a perfect vantage point for viewing the spectacular mountain outdoors.

ABOUT THE AREA

France, in Western Europe, encompasses medieval cities, alpine villages and Mediterranean beaches. Paris, its capital, is famed for its fashion houses, classical art museums including the Louvre and monuments like the Eiffel Tower. The country is also renowned for its wines and sophisticated cuisine. Lascaux's ancient cave drawings, Lyon's Roman theater and the vast Palace of Versailles attest to its rich history.

Rhône-Alpes, now part of Auvergne-Rhône-Alpes, is a former region of southeast France bordering Switzerland and Italy. Its Massif Central mountains and dramatic canyons carved by the Ardèche River are popular for hiking and rafting. The city of Lyon is a cultural and culinary hub with a Renaissance and medieval center. In Bourg-en-Bresse, the Gothic Royal de Brou monastery has ornate royal tombs with marble statues.

Haute-Savoie is a region in the Alps of eastern France. The many ski resorts in the Mont Blanc mountain range include popular Chamonix, with access to a large area of ski and snowboard runs. Year-round cable cars ascend to peaks like Aiguille du Midi, which has panoramic views. Northwest is Flaine, a ski resort with trails, modern architecture and open-air sculptures by Pablo Picasso and Jean Dubuffet.

Megève is a ski resort village in the Alps of southeastern France, in the Mont Blanc massif. It offers downhill runs, snow parks and cross-country trails, with links to La Giettaz. The area features rustic-chic chalets, upmarket hotels and designer boutiques. Its pedestrian center has cobbled medieval streets. In summer, trails lead through green forests and meadows, and up to Mont d'Arbois for panoramic views
