## TECHNICAL SPECIFICATIONS

Being once an idyllic mountain farm, Chalet Fermes De Marie bears the authenticity and charm of a true alpine country living. Fully refurbished and fitted with modern-day luxuries, it now welcomes ski vacationers to a glorious holiday accommodation experience in beautiful Megeve. The handsome interior is the work of renowned designer, Jocelyne Sibuet. In-chalet features include relaxation facilities such as a Jacuzzi and sauna. During summer, the place is blanketed by a lush verdant garden. Come winter, and the property turns into a magical snow-covered cabin home. Inside, the chalet wears a classy vintage look down to the very details, with victorian style furniture and rustic decors. Walls are fitted with French-style windows and intricate craftsmanship is shown in the ornate woodworks and architecture. Fermes de Marie features five separate bedrooms with lovely fur beddings and dedicated bathrooms, able to accommodate up to ten guests at a time. In-chalet dining can be enjoyed either indoor or outdoor, all the while enjoying the breathtaking alpine surroundings.
