## TECHNICAL SPECIFICATIONS

Located in the prestigious neighbourhood of Kadenwood – Whistler’s most rare and exclusive luxury properties complete with private gondola and ski in/out access. Built amongst old growth forests, this estate offers the best of privacy and convenience four minutes (or 228 vertical meters/ 749ft) away from the Creekside village shops and restaurants. A modern fireplace feature and a large study den with a queen murphy bed will also be added to the main floor. Beautifully finished with contemporary interiors, the you immediately feel the grandeur of the estate’s great room, dining, and kitchen areas which offer idyllic open concept living with vaulted ceilings and plenty of bright, natural light. The large and open chef’s kitchen is equipped with Wolf, Subzero, and Miele appliances, as well as ample prep space and quartz countertops, and a separate prep kitchen – ideal for entertaining. The main level living area opens to a large open deck space with modern outdoor furniture and heated dining area with BBQ to enjoy the expansive mountain views year round. Every bedroom is designed with clean lines and minimalist décor. This stunning home offers plenty to entertain your group after a day out on the slopes, with a large outdoor hot tub, multiple fire pits and gas fireplaces, stunning mountain views from large patios on all three levels, as well as a ping pong table, wet bar, two 90-inch TVs, gym, and hammam-style steam room. This home is just a one-minute walk to private ski-in/ski-out access or a one-minute drive to the private Kadenwood Gondola. Discerning attention to detail and elevated design put this home in a class of its own as the perfect retreat for any winter or summer getaway.

- Outdoor Hot Tub / Jacuzzi

## ABOUT THE AREA

Canada is a country in North America. Its ten provinces and three territories extend from the Atlantic to the Pacific and northward into the Arctic Ocean, covering 9.98 million square kilometres, making it the world's second-largest country by total area.

British Columbia, Canada's westernmost province, is defined by its Pacific coastline and mountain ranges. Nature areas like Glacier National Park offer hiking and biking trails, as well as campgrounds. Whistler Blackcomb is a major ski resort that hosted the 2010 Winter Olympics. The scenic Sea-to-Sky Highway links Whistler with Vancouver, a city known for its film industry, at the province's southern U.S. border.

Whistler is a town north of Vancouver, British Columbia, that's home to Whistler Blackcomb, one of the largest ski resorts in North America. Besides skiing and snowboarding, the area offers snowshoeing, tobogganing and ski jumping at the Olympic Park, a venue for the 2010 Vancouver Winter Olympics. The hub of Whistler is a compact, chalet-style pedestrian village at the base of Whistler and Blackcomb mountains.
