ABOUT THE AREA

France, in Western Europe, encompasses medieval cities, alpine villages and Mediterranean beaches. Paris, its capital, is famed for its fashion houses, classical art museums including the Louvre and monuments like the Eiffel Tower. The country is also renowned for its wines and sophisticated cuisine. Lascaux's ancient cave drawings, Lyon's Roman theater and the vast Palace of Versailles attest to its rich history.

Rhône-Alpes, now part of Auvergne-Rhône-Alpes, is a former region of southeast France bordering Switzerland and Italy. Its Massif Central mountains and dramatic canyons carved by the Ardèche River are popular for hiking and rafting. The city of Lyon is a cultural and culinary hub with a Renaissance and medieval center. In Bourg-en-Bresse, the Gothic Royal de Brou monastery has ornate royal tombs with marble statues.

Haute-Savoie is a region in the Alps of eastern France. The many ski resorts in the Mont Blanc mountain range include popular Chamonix, with access to a large area of ski and snowboard runs. Year-round cable cars ascend to peaks like Aiguille du Midi, which has panoramic views. Northwest is Flaine, a ski resort with trails, modern architecture and open-air sculptures by Pablo Picasso and Jean Dubuffet.

Châtel is a village in France's Haute-Savoie region and a base for the Portes du Soleil ski area. A cable car runs from the center to the Super-Châtel piste, which has panoramic mountain views, and summer hiking and biking trails. The village is known for its Alpine chalets, aquatic center and La Vieille Douane museum, which presents the history of smuggling in the area. Nearby Lake Vonnes offers trout fishing.
